SPECIAL ASSISTANCE BEYOND LIMITED WARRANTY PERIOD

In our continuing effort to convey our total commitment to service and customer satisfaction and as an expression of our goodwill to our customers, Nissan may occasionally offer special assistance which will pay for all or part of vehicle repairs beyond the expiration of the Limited Warranty period on a case-by-case basis. Should you experience unusual difficulties with your vehicle, contact your Nissan dealer. If your dealer is unable to assist you, call Nissan Consumer Affairs Department (1-800-NISSAN-1) to notify us of your concerns. You will be asked to provide the Vehicle Identification Number (found on the vehicle dashboard, driver's side) along with other pertinent vehicle information. It is important that vehicle maintenance history records be kept in the event they are needed.

In addition, Nissan may occasionally offer to pay or reimburse for part or all of the cost of making certain, specific repairs beyond the terms of the Limited Warranty for some vehicle models. (Some states refer to such offers as "adjustment programs.") In such circumstances Nissan mails notices to all known registered owners of affected vehicles. You may additionally inquire of your authorized Nissan dealer, or of Nissan directly (through the 1-800-NISSAN-1 phone number), of the applicability of such programs to your vehicle.

NISSAN OWNER SATISFACTION AND ASSISTANCE (continued)

STEP 3:

In the event that you believe Nissan has been unable to satisfactorily address the problem, a special automotive complaint resolution program called AUTO LINE is available to you. The AUTO LINE program is independently operated by the Council of Better Business Bureaus, Inc. (BBB).

For information about the BBB AUTO LINE in your area, please call us (Nissan) at the same toll-free number (1-800-NISSAN-1). We will be happy to provide you with the address and phone number of your local BBB office or any other information about AUTO LINE.

Or, you may contact the BBB at:

AUTO LINE
Council of Better Business Bureaus, Inc.
4200 Wilson Blvd.
Arlington, Virginia 22203

If you call, the BBB staff will record the details of your complaint by telephone. They will ask for the same information as in Step 2.

The AUTO LINE program consists of two parts: mediation and arbitration. The AUTO LINE Staff will attempt to provide suggestions for resolving the problem during mediation. If a satisfactory resolution has not been achieved during mediation, you will generally have the opportunity to present your case personally before an impartial person or three-person panel. This is the arbitration part of AUTO LINE. The arbitrator(s) will make a decision after the arbitration hearing.

If you accept the decision, it will be legally binding on you and Nissan. If you do not accept the decision, it will not be legally binding on you or Nissan. However, in some states, if the decision is not accepted, it may be introduced either by you or by Nissan as evidence in a subsequent court action. The BBB must send you a final decision in your case within forty (40) days (plus 7 if you have not contacted the proper person from the dealership or Nissan) unless you delay the process.

Some states may specify that complaint resolution processes such as AUTO LINE that are sponsored by the manufacturer or distributor must be used before you may file a lawsuit. **In those states, use of AUTO LINE is required prior to using the state-operated complaint resolution process or filing litigation.** Otherwise, Nissan does not generally require that AUTO LINE be used.

AUTO LINE may not be available in all states, depending on state law. Nissan does not provide you with information about the availability of AUTO LINE in your state.

Nissan vehicles fewer than three years old from the date of delivery to the first retail buyer or otherwise put into use, and with fewer than 36,000 miles, are eligible for the AUTO LINE program. However, check with Nissan or BBB concerning your eligibility.
